GOULD IS WINNER IN WABASH FIGHT

(Continued from First Page.)

Doyle formally entered a protest to the inspectors of election against the admission of the voters.

Parallel Lines.

He declared that they represented securities which are held by lines parallel to and competing with the Wabash road; that the heading of such securities by such railroads is illegal, and that therefore any votes representing illegal holders could not, under the law, be received.

"The protest I now make against the votes represented by these two trust companies," declared Judge Doyle, "I shall repeat to-morrow in the caucus of the stockholders, and I now serve notice that the result of any election in which these votes are counted will be hereafter contested in the courts."

Zoa Phora
The Dollar Bottles
Free

There isn't a woman in the world who has tried or tested Zoa Phora who even wonders now at this great free offer.

Zoa Phora Cures Women.

Thousands of tired, suffering, ailing, run down, weak and afflicted women who were tortured and reduced by the troubles peculiar to their sex—are today CURED. They are strong, well, hearty and plump; in good health, good color, clean complexion, robust and rosy—and they know that it was Zoa Phora ALONE that brought them back to the glow and heartiness of girlhood days. If you will not believe the truth—my sister—then here at last is the first opportunity to prove it absolutely free. Zoa Phora means everything to women. It means healthy, natural menstruation periods. Without it the constant tendency either to scanty flow or to flooding is not properly regulated. Zoa Phora is the one regulator for the monthly troubles of women. It eases, normalizes and even the natural flow; no discomfort, no backache, no more nervous, breaking, sinking sensation, or the agonizing trembling weakness every suffering woman has so miserably experienced.

Thousands upon thousands of well women bear willing enthusiastic witness that this is true. There is no need, either, for the pain or the weakness. Zoa Phora sustains and fortifies by up-building, it resuscitates and heals. It cures by contact. It is NOT an indirect remedy. It reaches in to the disturbed parts themselves; soothes and relieves all irritation, and cures the cause by eradication. Common remedies do not do this—and they cannot be expected to.

Zoa Phora has cured thousands. One hundred and twenty thousand dollars—\$120,000 has been expended upon this great cure for women. Today it stands alone proven absolutely by its record among all remedies as the cure—the cure for female diseases—falling of the womb, leucorrhoea, displacement, growths, painful or suppressed periods, extreme menstruation or flooding, (expectant maternity, child birth and motherhood) change of life, kidney and bladder troubles, nervousness, tendency to cry, hysteria, spinal pains, weakness, etc.

This offer rests upon a record of Cures. Without such record we would not and could not give a dollar bottle free. Your name will reach us along with thousands of others. To you and to them as well—the full size dollar bottle Zoa Phora will come free—absolutely and unqualifiedly free—not one single penny of expense to you or to any other sister sufferer—we pay the bill—all of it—completely and entirely—the cost is all ours—none of yours.

Your name and the address, and Zoa Phora is yours—to make you well—to cure and keep you cured hearty and strong. When you write for your free dollar bottle remember that here are thousands of other women who are well that went through just as much discouragement and hopelessness as you are enduring now. They are now well women—and surely their evidence may well be a proof to you. A full size dollar bottle of Zoa Phora—free—when your name and address comes in. Address

(Special to The Times-Dispatch.)

GREEN BAY, Va., October 10.—Mr. S. I. Mayhood spent last night here, and reports great success in his labors. Mr. Mayhood succeeded in getting Mr. J. C. Rowlett, the "veteran agent of the Southern Railway here," as a member.

Mr. Rowlett has been in the service of the railroad company for thirty-four years, and his membership has been sought for many years. He holds the record for teaching the largest number of telegraph operators on this road, having taught twenty-one young men, some of whom have reached positions such as superintendent of division railways, train dispatcher and other responsible positions ranking high in the railroad world. One of the restrictions placed upon the members of the O. R. T. is that they cannot teach anyone telegraphy. Seventy per cent. of the operators of Richmond and Danville Division have joined this order.

Mr. C. J. Shalburne, of the Shalburne Lumber Company, is putting in three new saw-mills in this neighborhood, which will make a total of five mills operated in this county by the above firm, who have taken options on the majority of the timber in this section, having enough to run them for ten or twenty years. It is reported that they will build a tramway to some of their mills, which are located some miles in the country. This firm will in the next thirty days put in a large heading mill here.

This is the third son which Morton has lost by being killed within the last five years. It is reported that Joe Morton, who was killed, drew his pistol on Weldon Madison, and Madison also drew his and shot Morton down and made good his escape.
